2016 School Council Election

The following nominations have been received for our School Council for 2016:

Nicole WHITTY

Hi my name is Nicole Whitty. I have been a parent within the BSPS community since my eldest started in 2009. During this time I have been actively involved with the Parent Club and was co-opted onto school council in 2015. I thoroughly enjoy being involved, to give back to the school, shape ideas and contribute to the future of our children.

My civic minded nature combined with my experience of being a parent across all year levels within the school, is what I can offer being a member of school council.

Sevgi FISCHER

Hello, my name is Sevgi Fischer. 2016 offers me the reward of time and sanity (with all 3 of my Children attending BSPS.)

Nearly a year spent in Turkey as an adolescent, my husband of German heritage and the privilege of growing an Australian family, has given me a rich cultural background forming my philosophies on education; with BSPS’s unique bilingual program, these ideals are being realised.

Merely custodians of this program, I am compelled to ensure that it’s nurtured, developed and enriched to benefit our future leaders.

I offer my voice to be the “parents” voice, on the council!
Mandy JARVIS

My Name is Mandy Jarvis, I have four children currently attending the school. I have been involved in the school since coming here 2012. I established the Parents’ Club in 2014 as I believe in being involved and helping others to try and make a difference.

I have been on school council for the last two years and I’m currently the School Council President. I believe in giving parents a voice at school and making sure our kids receive the best possible education and this is the reason way I would like to be re-elected back on to school council.

Winston CHAMBERLAIN

I am a builder and trainer with over 17 years experience and a very flexible work schedule. I’m confident the school could benefit from my industry experience eg. to make the grounds dry with plenty of wet weather shelter. I have also been heavily involved in sporting clubs, teaching karate and surf lifesaving. I come with a broad array of skills and connections and look forward to the opportunity to serve the school community.

Nicola LIEBLER

I’ve been a part of the school community for the past 10 years, and with Ollie in grade 1, I feel that I would like to contribute to the school community more so I am willing to be a parent voice and contributor on the School Council.
