Congratulations Max on being awarded the title of “Best Player for the Monash University Water Polo Club”. What a great effort!

Grade 2 is learning about 2D shapes

When children discover the WHYS of maths, a deeper appreciation of maths is grown.

Key Dates - for your diary

**Term 2**
- Tue June 14: Parent Club Mtg 2.00pm
- Mon June 13: Queen’s Birthday Holiday
- Tue June 14: 1st instalment swimming
- Wed June 15: Learning Celebrations forms due back
- Thu June 16: Grade 5 boy/girl program
- Fri June 17: Yr 5/6 Winter Round Robin
- Fri June 17: Reports given out
- Fri June 17: School Disco
- Mon June 20: Student Learning Celebrations
- Wed June 22: Student Learning Celebrations
- Thu June 23: End of term BBQ celebration
- Thu June 23: Grade 5 boy/girl program

**Term 3**
- Mon July 18: 1st instalment 3/4 camp due
- Wed July 20: Prep Transition begins 2.30—3.30
- Mon July 25: 2nd instalment Yr 5/6 camp
- Mon July 25: Final instalment swimming

**Term 4**
- Mon Aug 15: 2nd instalment 3/4 camp due
- Wed Aug 17: Prep Transition 2.30—3.30
- Mon Aug 22: Final instalment Yr 5/6 camp
- Wed Aug 31: Prep Transition 2.30—3.30
- Mon Sept 12: Final instalment 3/4 camp due

**Term Dates**
- Fri June 24: Last Day of Term 2
- Mon Jul 11: Term 3 begins
- Fri Sept 16: Term 3 ends
- Mon Oct 3: Term 4 begins
- Tue Dec 20: Term 4 ends
Dear Parents, Staff and Students,

I can’t believe we are fast approaching the end of term two, almost half way through the school year. The reports are basically finished and final editing is in progress for parents and students to receive them on Friday June 17th. The reports will be sent via email, so if you have had any changes of email addresses please notify the school. If any family wishes to have their report printed just inform the office of your request and they will gladly oblige.

In discussing the report, I would to encourage families to focus on the successes and the ‘can dos’, as this is the indication of growth. While student reports provide an indication of standards, an incorrect focus on this can hinder your child’s confidence and in turn performance. You will witness in our upcoming Learning Celebrations, that focusing on the growth, results in a positive and effective learning discussion and experience for all concerned.

A reminder to make sure you get your Wellbeing acknowledgement and Learning Celebration slips in.

Our prep numbers for next year have already filled two classes, so if you have not put your application in, please do so immediately, as numbers will then depend on if we have suitable numbers to open amazingly 3 classes. I was looking at past predictions when I first began at BSPS, and while we estimated some growth, we will possibly reach 300 a year earlier than expected.

Have a great week.

Jayson Williams

Principal’s Corner

Tweetification of the week—

When children discover the WHYS of maths, a deeper appreciation of maths is grown.

Follow US!
Hello, my name is Bronwyn Upton and I am the Bayswater South Primary School Chaplain. I would like to outline for you the role a Chaplain plays within the school community.

- Provide care and be a friend
- Be a 'listening ear' for those who need someone to talk to
- Provide pastoral care (encouragement and support)
- Help a child sort through a problem or an issue
- Run support groups (eg. Friendship programs)
- Connect with parents as the need arises
- Refer a child to other professionals
- Support teachers in class, helping out as needed

Matters of faith are only pursued when a person wishes to talk about them.

Life is not always easy. But knowing that someone is there for you to talk to, to listen, to encourage and to walk alongside you can be very comforting and can help you through difficult situations.

My chaplaincy role is about offering care and support to the whole school community. It's about working with students, parents and teachers to assist in meeting the needs that arise in our daily lives.

Children today have to deal with some very 'grown up' issues such as family break-up, grief and addictions. Or they may be struggling to make friends or to fit in with their peers. These can be very traumatic for children and could affect their ability to cope with the stresses of daily life.

As such it may be beneficial for your child to have someone who they can talk to.

This would occur on a purely voluntary basis. If you would prefer that this interaction not happen for your child/ren, please contact the school.

Please feel free to call me regarding anything I can help you with. I am available on Mondays and Tuesdays at the school between 9am – 2.30pm. Or leave a message anytime and I will call you back.

Regards
Bronwyn Upton
SCHOOL CHAPLAIN

BSPS Reminder & News Snippets

BSPS Effective Communication Channels

- Student query/issue= Contact the classroom teacher
- School wide query/issue = Contact Jayson or Bret
- Financial - Administration query /issue = Contact the office.

NB. Our Parent's Club Facebook page is not an official communication channel of BSPS

Student Free Curriculum Days:

- Monday, October 31

Emergency details- it is the parents’ responsibility to ensure your emergency details are updated regularly

Bike safety - Student are reminded to walk their bikes and scooters on school grounds. While on pathways All students to look out for pedestrians and to keep a good distance between themselves and other children.

Dogs on the school grounds—Could parents please refrain from bringing their dogs onto the school ground, as per school council regulations.

Year Level Blogs

Viewing recent posts on our Year Level Blogs gives a fantastic indication of the broad range of programs and activities we have across our school. On the Prep Blog you can see pictures of the students experimenting with magnets and the exciting news that the Preps are able to play on the synthetic grass on Mondays during snack time. The latest post on the Year 1 blog shows pictures of students making mosaics during our recent Elective sessions. On the Year 2 blog you can view images from the recent Hip Hop Dance excursion and as well as the Hawthorn players’ footy clinic. The weekly post on the Years 3 and 4 blog gives a great rundown of their learning for the week. On the Year 5 blog you can see images from the District Athletics from earlier this term. The latest post on the Year 6 blog has images from the recent excursion to view Australian colonial paintings at the Ian Potter Gallery in Federation Square and visit nearby significant buildings and landmarks from the nineteenth century.

Inside the Classroom  - Year 2—Learning about 2D Shapes

Year two students have been learning about 2D shapes in Maths this last week. Not only have students been learning the names of different shapes, but also manipulating them by sliding, turning and flipping. Students also made some fantastic pictures using geometric blocks and then copied the design into their books. The students have also been learning a song about shapes and are looking forward to performing this at assembly on Friday 17th of June.
From Our School Chaplain

Bedtime Struggles
In many homes bedtime is a good place for parents to start the process of removing rewards for a child’s misbehaviour. Children are geniuses at figuring out how to extend bedtime another half hour or so, and parents are often no match for a creative child who has nothing better to do than to try to get some extra needs and wants met. Some of those payoffs are obvious — a drink of water, another snack, another hug. But remember that attention and eye contact are also rewards in a child’s economy. Children can be motivated simply by engagement.

A strategy called "the invisible game" works well with children to eliminate excessive bedtime stalling. This involves the house functioning exactly as though the child had gone to bed. Go through your normal pre bedtime rituals of eating a snack, brushing teeth, reading a book, going to the bathroom, tucking in and so on. Remember also to remove toys, gadgets and other distractions from their room. But after you’ve said "good night," leave the room for the evening.

From this moment on, your child is invisible. If your child calls out, ignore them. If they come out of their bedroom, don’t look at them, but continue whatever you’re doing. Go through some emails, read a magazine or book, watch TV or do the dishes, all without looking at them or responding to any question or activity by the child. It is important that all this is done with no emotion, approval or disapproval. If you say anything, it should be straightforward and said without any eye contact: "I can’t talk to you now. You’re not supposed to be up," but preferably don’t respond at all.

This simple, silent plan often solves the problem of creative bedtime struggles. It probably won’t work the first few times, but don’t worry. Just continue with the same tactics the following night and eventually your child will get the message.

Bronwyn Upton

BSPS Chaplain – (Monday & Tuesday) The Chaplaincy program is funded through the Government & Community support. This is a voluntary program in our school community.
Year 6 German style breakfast

On Wednesday 1st June, all our Year 6 students enjoyed a very special German-style breakfast as a way of bringing to life our study of differences and similarities between German culture and Australian culture. It was smiles all round and big eyes as the students took in the wonderful offerings on our buffet table. These included delicious rye bread and Kaiser rolls, cheeses, cold meats, eggs, tomatoes, capsicums and cucumber, pickles, muesli, yoghurt, quark and a delicious assortment of authentic German jams. Students could also choose from orange juice, sparkling water or hot chocolate (Kakao) which I am told was a highlight. Our thanks to a wonderful backup team of parent helpers, Nicole, Beate and Jackie who kept everything running smoothly on the day and thanks also to Nicole and Lucy who kindly helped us with the set-up the day before. What a wonderful community event! We were also very fortunate to have some delicious homemade German produce to add to the feast. Thank you very much Beate for the yummy Brezeln (so I hear - they went in a flash) and thank you to Jorjia’s Oma Katrin for the most delicious homemade bread and jams - just ask Taly! And we simply cannot forget that the whole event was kindly funded by the German Honorary Consul-General Mr Michael Pearce who was very supportive of our initiative and made the special funding available. Students will be writing letters in German to Mr Pearce to thank him for his support.

Maria McCluskey
German Teacher
**From Our House Captains**

**Soccer Round Robin - Day One**
On the 9th of June 2016, the soccer team headed off to Milperra Reserve, Wantirna. We played three games. The first game was against Scoresby. This game was fairly one sided but it was very good to see that the team was humble about the victory. The highlight of that game was the spectacular early game double hat trick by Campbell. The second game was against St Luke’s. This game was a lot closer than the first game. The score was 3 to nil, in our favour. A highlight was the crossing in to the box by Zane and Sven. The last game was against Wantirna South and it was an even closer game, with the score at one all into the last minutes of the game. The highlight of this game was Campbell’s buzzer beating goal to win the match, 2 to 1. Thanks to the whole team for their excellent sportsmanship and effort throughout the whole day. A huge thanks to Jason Saunders for coaching the team.

Come and join the Party Today
Hot Food Tuesday is Back!!
(for terms 2 & 3)

What is ‘Hot food Tuesday’?
It is a Parent Club fundraising activity, where children can bring something for lunch that is suitable to be placed in a low temperature oven (pie warmer) to be heated up. Thus it will be nice and hot for your child at lunch time.

What do you need to do?
Your child’s food item must be suitably wrapped, for example in foil or in a small foil container with a lid. No plastic please. It must have your child’s name and grade written on the wrapping.

Cost
The cost is $1 (this includes tomato sauce if you would like it)
Please remember that lunch is at 11.00am, therefore all food items MUST BE DEFROSTED (a good tip is to place it in the fridge the night before)

Stuck for ideas on what to send?
* Make some sausage rolls (and hide some extra veggies in them)
* Make a toasted sandwich
* Cook up some extra dinner and send a serve to be heated up (spaghetti bolognese is a good one) Don’t forget a fork!
* For something sweet, an apple pie
* A proven favourite, party pies

We are always after helpers to assist with this activity. If you are available and interested to help please contact me.

## Buy A Beanie, Keep Warm & Support Brain Cancer Research

Brain cancer kills more children in Australia than any other disease and more people under 40 than any other cancer.

Only 2 in 10 people will survive for five years and that has been the case for the last 30 years, despite massive improvements in survival in other cancers due to research funding. With funding, we can do the same for brain cancer.

### About Florey

The Florey Institute of Neuroscience and Mental Health is the largest brain research group in the Southern Hemisphere.

Our teams work on a range of serious diseases including stroke, epilepsy, Alzheimer’s disease, Parkinson’s disease, multiple sclerosis, Huntington’s disease, motor neurone disease, traumatic brain and spinal cord injury, depression, schizophrenia, mental illness and addiction. We are world leaders in imaging technology, stroke rehabilitation and epidemiological studies.

The school is generously donating some royal blue beanies which will be on sale for $5 each. All money raised will be donated to The Florey Institute. The beanies will be available at the 2nd Hand Uniform Shop and also at OSHC from Tuesday 14th June (next week).

Recently, a very close friend of ours Damian, was diagnosed with brain cancer.

Please support this amazing cause. Thanks in advance.

Donna and Michelle XYZ
