We are excited to announce the new international partnership between Bayswater South Primary School and Lavena Primary School in Fiji. For more details go to the Principal’s Corner.
Principal’s Message— Lavena Primary School, Fiji

Dear Parents, Staff and Students,

I am very excited to share with you this week a new partnership with Lavena Primary School, Fiji. In conjunction with the Rotary Club of Boronia we will developing a new connection with the school that was devastated by Cyclone Winston. During the cyclone most of the resources of the school such as chairs and tables were blown away and now the task of rebuilding the school has begun. The school situated on Taveuni island is excited at the prospect of working together with Bayswater South Primary School.

In the coming weeks the first action will commence with furniture we no longer used or needed will be removed from the various storage areas of our school. Rotary have kindly arranged to support us by organising a pick up and eventual ship transportation of the donated items to Lavena PS. During the recent renovations and upgrading of furniture in the Prep area, we are confident in providing at least a class set of tables and chairs, which is most pleasing.

In the future, further opportunities for our students with Lavena PS will be made, to foster further our international mindedness. I know our Year 1 and 2 completed an excellent inquiry unit on ‘How weather affects us’ earlier in the year, I am sure actions and connections like this builds upon the great learning they have done in this area.

Here are some before and after shots of Lavena Primary School on Taveuni Island in Fiji

Have a great week!

Hello, my name is Bronwyn Upton and I am the Bayswater South Primary School Chaplain. I would like to outline for you the role a Chaplain plays within the school community. It's about working with students, parents and teachers to assist in meeting the needs that arise – be it for a listening ear or pastoral care. It's about being a friend to those who need someone to talk to. Life is not always easy. But knowing that someone is there for you to talk to, to listen, to encourage and to walk alongside you can be very comforting and can help you through difficult situations.

Matters of faith are only pursued when a person wishes to explore them. I am unable to force this upon any child.

#### 2016 OUTSTANDING SCHOOL FEES

Please ensure all outstanding 2016 school fees are paid by the end of the school year.
Hello, my name is Bronwyn Upton and I am the Bayswater South Primary School Chaplain. I would like to outline for you the role a Chaplain plays within the school community.

- Provide care and be a friend
- Be a ‘listening ear’ for those who need someone to talk to
- Provide pastoral care (encouragement and support)
- Help a child sort through a problem or an issue
- Run support groups (e.g., Friendship programs)
- Connect with parents as the need arises
- Refer a child to other professionals
- Support teachers in class, helping out as needed

Matters of faith are only pursued when a person wishes to talk about them.

Life is not always easy. But knowing that someone is there for you to talk to, to listen, to encourage and to walk alongside you can be very comforting and can help you through difficult situations.

My chaplaincy role is about offering care and support to the whole school community. It’s about working with students, parents and teachers to assist in meeting the needs that arise in our daily lives.

Children today have to deal with some very ‘grown up’ issues such as family break-up, grief and addictions. Or they may be struggling to make friends or to fit in with their peers. These can be very traumatic for children and could affect their ability to cope with the stresses of daily life. As such it may be beneficial for your child to have someone who they can talk to. This would occur on a purely voluntary basis. If you would prefer that this interaction not happen for your child/ren, please contact the school.

Please feel free to call me regarding anything I can help you with. I am available on Mondays and Tuesdays at the school between 9am – 2.30pm. Or leave a message anytime and I will call you back.

Inside the Classroom - Year 6 Earn & Learn

This term, our Earn and Learn community is up and running. The students have had a number of lead up lessons learning about basic aspects of household economics and financial matters. Now the class have created a role-play, economic community, called Matherica.

Everyone is participating in earning a wage and paying taxes and bills, as well as buying and selling goods and services. We have a number of different role-play businesses that the students have created including supermarkets, sign writing, take-away foods, restaurants, cleaning, travel agents, sporting goods, and banking. Throughout the program the students are highly engaged in their roles, but at the same time developing their money skills including, budgeting, banking and record keeping.

Bayswater South and UnitingCare Harrison Christmas Gift Appeal

This December Bayswater South Primary is again pleased to join with UnitingCare Harrison in donating gifts to children in our local community who may otherwise go without this Christmas.

UnitingCare Harrison is based at Knox City Shopping Centre and helps children, teenagers and families in need in Knox and surrounding suburbs.

One in eight Australians is living in poverty, with one in six children affected. Christmas can be a challenging time for many families, so by donating one gift under the BSPS Christmas tree, you will help put a smile on another child’s face this Christmas morning.

While all gifts are welcome, sometimes it can be challenging choosing what to buy for particular age groups.

Here are some helpful suggestions if you are having trouble deciding:

**Young children, aged 4 – 8 years:** sports equipment, outdoor games, books, toys, board games, dolls, toy car/train sets, Lego blocks/sets.

**Older children, aged 9 – 14 years:** board games, books and activity books, accessories, outdoor equipment (e.g. frisbee, skateboard, balls), funky stationery, card games.

At the beginning of December a Christmas tree will be placed in the Office entry area. From that time please feel free to take a gift tag from the tree and attach it to your donated gift. UnitingCare Harrison will ensure that all gifts are distributed before Christmas to those children in our local community who are in need.

*If any parent is kindly able to assist in the transporting of a Christmas tree to Bayswater South at the start of December, please see Mrs Oates Pryor.*

**Kids Hope**

We would like to extend a very big thank you to all of the Kids Hope Mentors for the
wonderful support, care and encouragement that they provide each week to our Kids Hope students.

Each week our valued mentors spend one hour with their Kids Hope child, further nurturing and building on the work of school staff. This is a significant commitment on the part of our mentors which we greatly appreciate and value.

The positive impact that mentoring has on children’s self-esteem and confidence cannot be overstated. Thank you to Jean and her amazing team of volunteers from St Stephen’s Anglican Church for providing sustained, caring relationships to our Kids Hope children, further assisting their learning and school engagement.

We look forward to celebrating these important relationships at our annual Kids Hope pizza luncheon in early December.

---

**Student Banking**

Unfortunately the Commonwealth Bank is no longer able to supply the very popular Bush Fly Fan or the skipping rope. Please choose one of the items below if you wish to cash in your tokens this year. Tokens not used this year will carry over into next year. Within the next week or so we will have a list of 2017 reward prizes available.
From Our Vice Captains

We hope that everyone has had a fun week. The students in Year 6 have had a busy end to the year. We have been filming speeches for graduation, making posters and a lot more. We can’t wait until the Magical Mystery Tour after graduation and we would really like to thank all the teachers for putting up with us and teaching us.

In other news, the book fair has been a great success and raised more than $2000!

The working bee was also a great success, with the gazebo seats and fence painted, and the table was fixed. They also spread out the tan bark.

Thanks!
Jasmine & Piotr

School Council News

Council will have its last meeting of 2016 on Tuesday 29th November. When you come to your last meeting you usually start to reflect on what has happened over the year, what you have achieved, what you would like to have done differently (on hindsight), what you could have done bigger (or smaller as required), better, faster, as well as thinking about what to do next year, what are the implications for next year and so on. As always you would like to highlight the positive and make promising noises about how you will tackle areas that need attention.

It is because positive news gets preference in reporting that it is understandable that less positive events might be perceived as being less important. When no news, or satisfactory news, comes out about those issues, it is common to think that those issues are regarded as them belonging in the “too hard basket”. There is definitely some truth about that as some issues indeed can’t be resolved instantaneously, no matter how much you try and how good your intentions are.

All elected members to any organisation suffer from having to face ‘reality’ in that what one wants and what is possible does not always match, that one shoe does not fit all (can’t please everyone), resources are limited, unexpected events will happen, and to the contrary of a fundamental law of physics, time is limited and ending.

Within these boundaries of ‘reality’ it is inevitable that council will not have been able to address, or even solve, issues that might have been extremely important, or even personal, to you. Although excuses are always easy to be found, I acknowledge that we are only human and can only achieve so much.

This reflection might be perceived as negative, or apologetic, to what BSPS has done in 2016 and that would be unjust. What BSPS, council and its community has achieved this year is nothing but remarkable and outsiders have taken notice of the developments at BSPS. BSPS is well on its track to fulfil its aims and is even in a position to exceed the already high standards set out to achieve in the Strategic Plan. Now, if you know the history of BSPS then you would see that BSPS is doing remarkably well indeed.

But as our school is inclusive of all, for all, in every way, it is good not only to emphasize the positives of BSPS, but also to acknowledge that there are still areas where we can improve and that there are those that wish that would happen. We can highlight the fact that the glass is made of crystal and that the fluid it contains is wine and not water, but if the glass is not filled to the rim, you could still be disappointed.

It is for the next council to continue guiding, implementing and maintaining the developments at BSPS. With three positions becoming vacant in the council next year, you might want to consider being part of that process and stand for election to the council next year.

Don’t Go It Alone
Hi Parents, parenting can be very difficult – especially if you’re raising your children alone. However there is often a sense in our culture that we should be equipped to succeed, and that to seek any help is a sign of failure. This is not the case, it’s actually a very wise move.

Motivating a child who appears to reject any ideas or suggestions you have is emotionally and mentally draining. If we are not careful, the situation can degenerate into a battle – them versus us. It can be a fight to the death of the relationship in extreme cases. It can also get to the point where they don’t listen to anything you say – just because it is mum or dad who is saying it. Even before things get to those extremes a wise parent enrolls the help of others to get the job done. There are many people who will have the same aim and purpose as you and be willing to offer their help.

Here are some suggestions of support -
♦ Grandparents - they will often have a great relationship with their grandchildren and may be able to view things from both perspectives.
♦ Uncles/Aunts - because they don’t have any involvement in the disciplinary role they can make a very real connection and have a great influence on your children.
♦ Older brothers and sisters - they can be very effective allies. But don’t burden them with the task of being your right hand man.
♦ Youth Workers - these professionals have vast experience in connecting with young people. Your children may trust them with their feelings and thoughts as they have opportunity to connect. Get the youth worker onside by explaining your perspective and asking for their help, take time to listen too.
♦ Sports Coaches - they have great influence that extends well beyond the match and practices and can be great mentors for your children.

Counsellors - professional help can be extremely useful because these people don’t have any emotional connection to your family. This means they can see things more clearly from an unbiased standpoint. If you’d like to see a counsellor but feel it’s out of your reach due to the cost involved, please call me and I will put you in touch with services that offer some free or low cost sessions.

A whole team approach will produce greater and faster results. It will also remove some of the pressure you may feel from carrying the full responsibility of parenting on your shoulders. So don’t be embarrassed to ask for help, get others you trust to assist you with practical ideas and input. People who you know that also have your children’s best interests at heart.

Parent Club News

There is lots happening in preparation for our Christmas Raffle and the Twilight Christmas Market. Our advertising boards have gone up, flyers are being dropped off and some are being displayed in shops and businesses. Please spread the word. Its our last, and hopefully our biggest, fundraiser for the year !!

RAFFLE
Last Friday the eldest child in every family was issued with a book of 10 raffle tickets (If you didn't receive any there are spares available from the office).
The tickets are only $1 each.

We have some fabulous prizes up for grabs.
♦ A family pass to Santa’s Magical Kingdom
♦ Convection Oven
♦ Airport Parking voucher
♦ Diana Ferrari Handbag and Jewelry
♦ Gingerbread House
♦ Lots of assorted items donated from our community

Please return money and any unsold tickets by Friday 2nd December
The raffle will be drawn after assembly on Friday 9th December.
Students have also been issued with a letter requesting donations.
If we could also please have all donations brought in to the classrooms by Friday 2nd December.

TWILIGHT CHRISTMAS MARKET - WEDNESDAY 7TH DECEMBER 4.30 - 8.00pm
Lots of people have been working hard behind the scenes to put together our best Christmas Market yet. There are so many exciting things planned and it promises to be a fabulous night, so be sure to tell your friends, neighbours and family to come along and support our school. Everyone will have the opportunity to do some shopping, have dinner, play some games, participate in craft activities, check out the classic cars, be entertained by class musical items, listen to the choir and even say hello to Santa. All that and more.... !!

HELP NEEDED !!
For our market to be a huge success we need your help with any of the following:
♦ Can you help on a stall on the night?
♦ Are you available to help with the set up or pack up?
♦ Do you have any of the following that you are willing to donate for use on the night:
  ♦ Plastic tables and chairs (outdoor settings), market umbrellas, gazebos
  ♦ Can you or your workplace offer a donation that could be of use (meat for the bbq, bread, drinks, chocolates, lollies etc....)
  ♦ Would you like to bake an item for our cake stall?

Any offer of assistance be it big or small is greatly appreciated.
Please contact Parent Club via our email address: bspsparents@gmail.com
or alternatively see Nicole Hingham or Nicole Whitty.

ICY POLE TUESDAY (or Monday...ha ha !)
During the last few weeks of term we will be using up our frozen items in preparation for end of year, therefore we may offer some specials each week depending on availability. All items $1

As always, thank you for your continued support of the Parent Club and our fundraising activities.

Cheers, Nicole Whitty (President) nicolewhitty@hotmail.com

Update on Summer Dresses

As you may be aware, we are currently facing quality issues with the new Summer dresses. It has been brought to our attention that the dresses are piling badly.

Due to unforeseen circumstances, the fabric is not up to the expected standard that Beleza upholds for all our products.

We have since engaged a secondary supplier from China who is working closely with us to provide us with a new Summer dress that is of the standard of fabric that we at Beleza expect.

During the time, it will take Beleza to reproduce the Summer dresses, we ask if any parents that have already purchased a dress, if you can please contact the staff at Mountain Gate store so we have a record of your purchase, and contact details.

When the new Summer dresses have been reproduced, we will be in contact with each family, and any dresses purchased will all be replaced with a new dress. The Summer dresses that have already been purchased or any future purchases can continue to be worn.

All Summer dresses that are sold from this original batch will be replaced as soon as the new batch arrives. Beleza always guarantee all our products in full.

Beleza would like to extend our deepest apologies to the students affected by this fault. We would like to also express our thanks to the community for your patience and ongoing support as we correct this matter.

If you have any further enquiries, please do not hesitate to contact us via phone or email.

Thank you,
