What a fantastic night last Wednesday was. A great variety of stalls, grade performances, children's activities and of course a visit by the fire brigade. It was great to see so many smiling faces.

This will be our last official Bulletin for 2016.
The Bulletin team would like to thank everyone for their contributions throughout the year.
We wish everyone a very Merry Christmas and a Happy New Year.
Hope Santa Comes!
Dear Parents, Staff and Students,

As I am sitting here reflecting as the year is drawing to a close, it is amazing how much we jam into a school year. It is amazing the amount of learning, work and growth our students experience. No different to other children you may say, but when you consider that they do this in two languages there is a difference. Our recent discussions with Marcia from the IB only reaffirm the special program we have here at BSPS. Marcia and the IB have acknowledged the unique program we have and are eager to work with our school. This is not just in an Australian sense but also internationally. Sometimes as parents we can easily forget and make judgments, when this is not like any normal school and your experience at school is most likely quite different to that our your child. So an open mind is essential and the partnership between the school and the parents needs to be as one, in order to ensure your child has the best support to undertake the challenge. On the most part we are well on the way as a community to achieve this and I thank our community for their commitment to that.

One such example of positive action has no doubt been the latest Christmas Market. It was nothing short of being our best ever and it was fantastic to see so many of our families attend. A special thanks to Nicole Whitty, Nicole Higham and Wendy Wright for their leadership, time and effort in making a difference for our school. Thank you to also to the band of supporters who assisted in any way to this special event.

Another positive, was the transition day and in particular the Prep BBQ. It was great to have so many of our mums help with the BBQ and ensure our new Prep families were welcomed to the community. Thank you. I must say it was also a fun experience for me being cross-examined about next year’s staffing. There can be no doubting their determination in extracting information from a source! All will be revealed next Friday, but we can confirm the following arrangements for next year: Prep Team- Megan Payne, Sylvia Schmelzle, Matthew Campbell and Lisa Gillson.

We welcome to our school Lisa and Matthew. Lisa is a graduate who has experienced life at Bayswater South before. Matthew comes from the well-respected Glenferrie Primary School and he will play an integral part of ensuring our Physical Education program goes to another level.

In respect to the Curriculum, there will be some slight changes next year, taking into account the Government guidelines and what we feel best suits our special school. Matthew will lead our PE program, as a specialist in this area, with each class receiving one PE class and one sport class per week. Next year, students will have the opportunity to attend lunchtime sessions. The area of social and emotional development is also focus with every Friday after assembly scheduled for ‘class circles’, and we will also have one hour per week dedicated as a Wellbeing hour with emphasis on the Leader in Me, Electives, and student social skill development. Next year we will continue to build on our connection with Knox Council in developing our leaders and building resilience; we will connect with Bayswater Secondary in providing sessions of wood work, science experiments and technology; and excitingly we will work closely with the renowned ‘Berry Street’ in helping us with relationship building and dealing with the issues our children face. Our Math and Writing programs will be school wide and our inquiry methodology will continue to mature. Lastly, in the midst of this structure our teachers will continue to be trained and developed in terms of leadership and coaching.

Cont…../
Finally, in light of all this, I can report that we are now successfully operating on a sustainable financial model, well ahead of schedule; thankfully, largely due to the support of the three Parent Councils I have worked with led by Phil, Mandy, and Frank and the amazing work of Noleen Maxwell, our Business Manager. I sincerely thank them for their support. This means BSPS now has a greater choice in budgeting items. So I am very pleased to announce the following financial allocations for 2017:

- $50,000 for Year 5 & 6 students to have one to one laptops and 24 ipads for Year 1 and 2
- $50,000 towards playground development
- $40,000 towards oval/playground drainage development
- $10,000 towards English teacher resources
- $4,000 towards Math teacher resources
- $3,000 each towards German, Science, Art, Music
- $6,000 towards library books
- $5,000 towards sport

When you further consider over the break and early Term 1 that our Year 5 -6 portables will be refitted with carpet and repainted, and receive updated ICT functionality ie projectors, and that our playgrounds and sand pit will be refreshed and upgraded, we are well on the way to ensuring our teachers and our students have access to quality resources.

That is it for now, for my final Bulletin report for the year, next week I will send home a letter containing some acknowledgements and more staffing information for 2017. If I can ask one favour, as you share this great news, please remind everyone to read the Bulletin. We need more of our community reading it in order to stay informed.

Have a great week!

Hello, my name is Bronwyn Upton and I am the Bayswater South Primary School Chaplain. I would like to outline for you the role a Chaplain plays within the school community. It's about working with students, parents and teachers to assist in meeting the needs that arise. These can be very comforting and can help you through difficult situations. Life is not always easy. But knowing that someone is there for you to talk to, to listen, to encourage and to walk alongside you can be very comforting and can help you through difficult situations.

Matters of faith are only pursued when a person wishes to. A Chaplain will not seek to impose their beliefs on others. It is a purely voluntary basis. If you would prefer that this interaction not happen for your child, please contact the school.

As such it may be beneficial for your child to have someone who they can talk to. Those who need someone to talk to—such as those who are struggling to make friends or to fit in with their peers. These can be very traumatic for children and could affect their ability to cope. Or they may be dealing with the stresses of daily life. Parents interested in having their child talk about them at school are reminded to talk to their child about this in advance.

Student query/issue= Contact the classroom teacher
School wide query/issue = Contact Jayson or Bret
Financial - Administration query /issue = Contact the office.

Emergency details— It is the parents' responsibility to ensure your emergency details are updated regularly.

Bike safety - Student are reminded to walk their bikes and scooters on school grounds. While on pathways all students must look out for pedestrians and to keep a good distance between themselves and other children.

Dogs on the school grounds—Could parents please refrain from bringing their dogs onto the school ground, as per School Council regulations. Any dog on school grounds must have obtained special permission from the Council.

Inside the Classroom - Years 3/4 Bayswater Secondary College Wood-Work Workshop

Hello my name is Naomi, I was one of seven lucky students from grade 4 to go to Bayswater Secondary School. Mrs Murthy drove us the girls and Mr Williams drove the boys. The students that went were; Naomi, Bianca, Natalie, Kai, Will, Dylan T and Zac.

One of the things I made was a Japanese inspired shrine, the main idea of the lesson was to make a house out of a single piece of wood.

We had our lunch and snack at a much different time than the older students. When we went home we were exhausted from standing around all day. When we got back to school Herr Floo took photos of our creations.

Overall we had a fun day. We got to keep our creations.

---

Hi my name is Bianca, and on Friday the second of December seven lucky students went to Bayswater secondary college, 3 girls and 4 boys. The seven students that went were Zac, Kai, Dylan, Natalie, Naomi and myself. The way we arrived was in Mrs Murthy’s and Mr. Williams’ cars. We had all Friday to make our awesome buildings. First we designed our buildings on a piece of paper. We had our lunch and snack at a different time to the students from the school. Some of the things that we made were:

- dance and DJ buildings
- beach house
- Japanese shrine
- radio house
- holiday house
- frog chicken house (Zac named it)
- night club

Overall we had a fabulous day.

---

Hello my name is Dylan T and a group of students and I went to Bayswater secondary college to do wood work. At wood work when we had lunch and snack it was at a different time to the older students. The people who were teaching us were very nice. Everyone made cool things, Bianca made a DJ booth with a dance floor, Kai made a holiday house, Will made a beach house and Zac made a frog/chicken. Naomi made a Japanese shrine Natalie made a club. I made a radio face. There were also very cool tools like the wood burner, it burns the wood and you can make your initials. It was a lot of fun I hope we can go again.

---

Hi my name is Zac and we went to Bayswater Secondary College for a part of a woodwork class. We got to use a wood burner, hot glue gun, a saw, hammer and a wood clamp. We used a block of wood and made a house. They were all different as we used lots of different materials for decoration. It was amazing to be there.

Wood work
Hello name is Will and I went to Bayswater secondary to do wood work. We had a block of wood and tools and we had to make a house. Our teacher was called Mr. Crazier, we got to use a wood burner and a hot glue gun. I had an amazing time.
Selected students from Grade were given the opportunity to visit Bayswater Secondary College last Friday for a word working workshop.
Hello, my name is Bronwyn Upton and I am the Bayswater South Primary School Chaplain. I would like to outline for you the role a Chaplain plays within the school community.

- Provide care and be a friend
- Be a ‘listening ear’ for those who need someone to talk to
- Provide pastoral care (encouragement and support)
- Help a child sort through a problem or an issue
- Run support groups (eg. Friendship programs)
- Connect with parents as the need arises
- Refer a child to other professionals
- Support teachers in class, helping out as needed

Matters of faith are only pursued when a person wishes to talk about them.

Life is not always easy. But knowing that someone is there for you to talk to, to listen, to encourage and to walk alongside you can be very comforting and can help you through difficult situations.

My chaplaincy role is about offering care and support to the whole school community. It’s about working with students, parents and teachers to assist in meeting the needs that arise in our daily lives.

Children today have to deal with some very ‘grown up’ issues such as family break-up, grief and addictions. Or they may be struggling to make friends or to fit in with their peers. These can be very traumatic for children and could affect their ability to cope with the stresses of daily life. As such it may be beneficial for your child to have someone who they can talk to. This would occur on a purely voluntary basis. If you would prefer that this interaction not happen for your child/ren, please contact the school.

Please feel free to call me regarding anything I can help you with. I am available on Mondays and Tuesdays at the school between 9am – 2.30pm. Or leave a message anytime and I will call you back.

Regards
Bronwyn Upton

2017 Prep Transition

Last Tuesday our 2017 preps had their final transition session before they begin school next year.

Thanks to our great transition program/teachers, all the students feel very settled and are looking forward to beginning school next year.

At the conclusion of this session parents and students were invited to a welcome BBQ.

Mr Williams did a great job cooking sausages for our 2017 preps.
ICT in action at BSPS

This term in the year 3/4 classes, Mr Mottrom and Mrs Hill have been using ‘Kidblogs’ to foster students’ love of writing and creative thinking.

Students have learnt about Blogs. They have their own account and Blog page. They have made an Avatar and learnt how to ‘Post.’ They have used these posts to display their writing and share their ideas and opinions on various topics.

They have also used the Blog pages as a medium for the positive reinforcement of other students, by reading their posts and commenting positively on their work.

Well done to all the year 3/4 students for their positive Blog contributions this term.

In 2017 the new 3/4 students will continue to work on and develop this area of ICT at BSPS, publishing their work, thoughts and opinions on various topics.

Bret Mottrom
From Our Year 6 Leaders

The year six students of 2016 would like to give a massive thank you to this wonderful primary school and everyone one in our school community, for all the great things that you made possible. All the camps and excursions were so fun and we are so grateful that you put effort into organising these wonderful experiences.

A big thank you, to all the staff & teachers for teaching us so many things over the years we have been here. We would not be the people we are today without you! Lessons have been, as well as educational, fascinating, character-building, and fun. Your efforts are very much appreciated and we all are so grateful for your powerful influence and support.

We would also like to thank the Parent Club for everything they helped organise and all the fundraisers that have gone towards the school. We would also like to thank you for you effort and contributions towards the Cuckoo Excursion and our Graduation. You have made such a big impact on helping to improve the school.

To conclude, we would just like to give a proper farewell to this amazing community and thank all of you for making these seven years a wonderful experience.

From the Year Six Leaders of 2016.

School Council President’s Reflections

As this is my last contribution to the newsletter in 2016, I would like to thank BPS and its community for having given me the honor and privilege to serve on the council for the last 4 years. In that time, I have been a general member (2013), secretary (2014), vice-president (2015) and president (2016), I have seen the introduction of the German program into grade 4 and the subsequent expansion towards the full 50-50 model, I have worked with 2 principals, 2 vice-principals, various staff and over 10 other parent council members, seen about 100 students graduating and over 100 new students arriving, and experienced many more BPS events, far too many to name them all here.

Just as any parent who suddenly has a child that is coming of primary school age, but even more so as I was not born and brought up in Australia, I had no idea what going to school in Australia would mean for my child, my daughter Ella. Due to work commitments, I had already missed out on many of my daughter's achievements at kinder and I wished that there was a way for me to get involved, to stay informed, with my daughter's developments at school. Although there are many ways one can get involved with events at school, I found that due to my work commitments the only way I could get involved with the school was through participation in the council. I put my hand up for school council and was duly elected.

If the story above sounds familiar to you, and you feel that you would like to be involved more with your child's school, and you have been considering joining the council, let me assure you that being part of the school council is extremely rewarding. Not for one moment have I regretted being part of the council. Besides being able to make real developments happen at school, I have also received the personal satisfaction of learning and understanding about our school system (as my children will be at school for at least 12 years, the knowledge and experience gained will be relevant and useful for quite some time), gained respect and understanding in people's efforts in ever improving our school (and believe me, there are more different opinions on how to improve the school than there are parents at BPS!), learned about and immersed myself in our diverse community, and enjoy being recognized and able to recognize others as a BPS parent which means you immediately have something in common.

I can honestly say that, admittedly after some difficult times, that BPS' future looks bright and that we can expect many more good and interesting things to happen at BPS. But I would not want to give anything away and it is for future councils to build on the foundations that have been set up now. But keep your eyes open for any developments!

I would like to thank the 2016 council for all their efforts this year and in particular I wish continuing parent council members Nicole Whitty, Nicola Liebler and Sevgi Fisher good luck for 2017. I also would like to thank fellow outgoing council members Martine Edlinger and Marc Schonhardt for all their good work in the 2015 and 2016 council. I am certain that we all somehow, one way or another, will stay involved with BPS in the coming years.

And with my final words I would like to wish everyone a Merry Christmas and a Happy New Year!

Frank Drost
School Council President
TWILIGHT CHRISTMAS MARKET - WEDNESDAY 7TH DECEMBER 2016

Wow what a night. We were so very fortunate to have amazing weather which encouraged lots of people to come and enjoy our market. I hope everyone enjoyed themselves, I know I did.

As our major fundraiser for the year I am very proud to announce that we made approx $4000 from the night. That's such a fabulous result and we couldn’t be more pleased.

As I have previously mentioned, events such as these require a lot of time and efforts from many people. I’m going to acknowledge a few but please know that if your name is not mentioned that from the bottom of my heart Thank you to each and every individual who contributed.

Be it that you gave your time, a donation, lent us chairs, tables, gazebos, ice, eskys, chopped onions, cooked a sausage, delivered a flyer, baked a cake, helped on a stall, helped set up or pack up, or just came along and enjoyed the night THANK YOU.

Nicole Higham - for your ability to do a million things at once. Your motivation and vision to expand the market resulted in a fabulous night. A valuable addition to our Parent Club this year.

Wendy Wright - one of the hardest workers I know. Nothing is too much trouble. I know how much you do on a daily basis, it doesn’t go unnoticed or unappreciated. The side show games were fabulous, well done.

Kelly Merrin - for coordinating our cake stall. Another person who just gets on with it and someone I can rely on.

Thanks also to Bronwyn, Cerie, Sladjana, Martine, Lucy, Kristy, Christina, Susan, Rebecca, Kathie, Polly, Lisa, Megan, Nichole, Ricardo, Danny, Matt, Scott, Lauren, Adam, Beate, Clare, Danielle, Debby, Nicole, Jackie, John (+ more I’m certain of it)

I would also like to acknowledge and thank Jayson Williams for allowing us to try some new things and trust in our ideas.

Thank you also to Noleen Maxwell for helping us with all things relating to the purchasing, financials and preparations leading up to the market and also on the night.

Thanks also goes to Linton Roe for his continued enthusiasm in our ideas, thoughts and helping us in the planning. The performances were wonderful as always.

Planning for Christmas Market Night 2017 has already begun !!!!!

Sponsorship of the Real Estate signage boards was courtesy of Scott McAuliffe at McGrath Real Estate in Croydon

RAFFLE

Another fabulous result for our annual Christmas raffle. We raised in excess of $1200 which is a wonderful achievement. We were very grateful to receive so many fabulous donations that we are able to offer 40 prizes.

Some were drawn at assembly on Thursday more on Friday and the rest will be drawn over a few days next week. It was Mr Mottrams idea to draw out the suspense !!!! Just some of the fabulous prizes up for grabs.

♦ A family pass to Santa’s Magical Kingdom
♦ Convection Oven
♦ Airport Parking voucher
♦ Diana Ferrari Handbag and Jewellery
♦ Gingerbread House
♦ Scholastic books
♦ Lots of awesome assorted items donated from our community

As always, thank you for your continued support of the Parent Club and our fundraising activities.

Hope everyone has a very Merry Christmas and a Safe & Happy New Year.

Cheers, Nicole Whitty (President)

A Christmas Tribute Poem To All Mum’s & Dad’s

For all of the presents you’ve put under the tree,
   For all of the times you’ve picked up after me

For all of the times that you tucked me in tight
   And we stayed up to talk long into the night

For all of the days I was feeling so down
   And the times that you turned my smile from a frown

For the cookies you baked and the stockings you stuffed,
   For the cuts that you healed and the pillows you fluffed

For the time that you took off my bike training wheels
   For the nights that you made me my favourite meals

For knowing the right thing to say in my fears
   For making it through all the good laughs and tears

For all of the days that you loved me so much
   Even during the times when I made it so tough

For all of the memories we have already shared
   For the future for which we cannot be prepared

For all of your care That I’ll never forget
   Here’s to the memories we share and we haven’t made yet!

Love you Mum & Dad, Merry Christmas!

May the Christmas season be one of joy, peace and many blessings to you and your family. Remember to take time to reflect on the true meaning of Christmas and the greatest gift ever given.
